Middletown, Rhode Island 02842-6377

*The Rhode Island
Salutes Military Family
Discount Program*

The Newport County Chamber of Commerce & the Rhode Island Defense Economic Planning Commission have teamed up to introduce the Military Family Discount Program. This program, called **Rhode Island Salutes**, is designed to recognize the contributions our military forces and their families make to our security at home and abroad. Discounts will be available to all active duty and retired United States Military, including Rhode Island National Guard and the U.S. Coast Guard, and their dependents.

Over 30,000 military personnel and their families are identified to receive a discount with their military ID card. Presentation of their ID at participating businesses will entitle the ID holder to special discounts on purchases or services. Any Chamber business member can participate—the program is free. Participating businesses are asked to design their own incentives or discounts and track results. A minimum of ten percent (10%) product and/or service value discount is required.

Participating businesses will receive the following recognition and free advertising:

- Program ads in major RI daily and Military newspapers providing public recognition that your business is an active military supporter!
- Colorful program poster for state-wide public display
- Window Decal to identify participating businesses
- The Chamber will market the program & participating businesses to all RI military personnel and families
- Participation and free web links on a special Rhode Island Salutes web site at www.RISalutes.com
- The Chamber will distribute program information at the Fleet Family Support Center and other military personnel resource centers across Rhode Island

To participate in RI Salutes, simply fill out the information below and fax back the completed form to the Chamber at 401.849.5848.
